

**391-3-10-.30 COMPLETION OF EMISSION INSPECTION STICKER, LOSS, THEFT, TRANSFERABILITY OF SAME.**

- (1) The Mechanic Inspector shall write in indelible pencil or laundry marker, on the back of each emission inspection sticker to be attached to a motor vehicle, the date of inspection, vehicle identification number of approved vehicle, the inspection station number, and his or her signature. The inspection stickers shall be issued in sequential order by station. The Mechanic Inspector shall punch the correct month of expiration with a one-fourth inch punch, affix the correct year tab to sticker and affix immediately as per Rule 391-3-10-.29. Each station is responsible for maintaining adequate security of emission stickers, year tabs, and inspection forms and for the proper issuance of inspection stickers furnished to each station. Stickers and inspection forms are not transferable from one station to another station. Damaged stickers, inspection forms and year tabs shall be retained by the station and surrendered to the Station Inspector upon request.
- (2) The owner of a responsible motor vehicle who has lost the certificate of emission inspection required in any inspection term may have a duplicate certificate (verification form) of emission inspection issued by demonstrating that said vehicle had been inspected previously and had obtained a current registration form showing the emission sticker number and a valid matching inspection sticker. In all cases, the duplicate certificate of emission inspection (verification form) shall be valid only for the remainder of the period for which the replaced emission inspection sticker or certificate of emission inspection was to be valid. Only motor vehicle registration offices in Cobb, DeKalb, Fulton, and Gwinnett counties and the Implementing Authority may issue duplicate certificates (verification form).
